The Grand Forks Housing Authority administers Section 8 Project-Based and Tenant-Based Programs. The project-based program offers assistance with the rent in apartment communities located in Grand Forks. The tenant-based program, known as the Housing Choice Voucher Program, enables eligible families to select their own unit, which must meet Housing Quality Standards, be affordable, rent reasonable, and the owner must agree to participate.

Income Eligibility: A household's gross annual income must meet the limits set by HUD. For more information on the limits set for each program contact our office. Per Housing and Urban Development (HUD) regulations, 75% of new admissions must have income at or below 30% of median income and all new admissions must have income below 50% of median income.

Current Income Limits:

Family Size:	1	2	3	4	5	6	7	8

The information collection requirements contained in this form were submitted to the Office of Management and Budget (OMB) under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). The public reporting burden is estimated at 15 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Section 644 of the Housing and Community Development Act of 1992 (42 U.S.C. 13604) imposed on HUD the obligation to require housing providers participating in HUD's assisted housing programs to provide any individual or family applying for occupancy in HUD-assisted housing with the option to include in the application for occupancy the name, address, telephone number, and other relevant information of a family member, friend, or person associated with a social, health, advocacy, or similar organization. The objective of providing such information is to facilitate contact by the housing provider with the person or organization identified by the tenant to assist in providing any delivery of services or special care to the tenant and assist with resolving any tenancy issues arising during the tenancy of such tenant. This supplemental application information is to be maintained by the housing provider and maintained as confidential information. Providing the information is basic to the operations of the HUD Assisted-Housing Program and is voluntary. It supports statutory requirements and program and management controls that prevent fraud, waste and mismanagement. In accordance with the Paperwork Reduction Act, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless the collection displays a currently valid OMB control number.

Privacy Statement: Public Law 102-550, authorizes the Department of Housing and Urban Development (HUD) to collect all the information (except the Social Security Number (SSN)) which will be used by HUD to protect disbursement data from fraudulent actions.
